

# Susan D. Flynn Oncology Nursing Fellowship Program at Boston Children's Hospital

Boston Children's Hospital is proud to offer an outstanding opportunity for two nursing students who have a passion for pediatrics and oncology care. [The Susan D. Flynn Oncology Nursing Fellowship Program](#) was created with the intent of developing the next generation of oncology nurses. The Fellowship includes a comprehensive scope of direct observational and learning experiences. Students will have exposure to oncology nursing within the context of a pediatric hospital setting. They will learn about the roles and responsibilities of a pediatric oncology nurse and discover possible career opportunities. Additionally, through this experience nursing students will also be able to learn about the following:

- Policies, procedures, and, plans of care and education for pediatric oncology patients
- Clinical Research & Clinical Trials
- Chemotherapeutic agents
- Infusion Services
- Radiation Therapy
- Palliative Care (resources, services, benefits)
- Hospice Services
- Patient & Family Support Programs
- Various Internal Oncology-Related Forums

As part of this learning/development experience the Fellows will complete an evidence-based practice project addressing some aspect of pediatric oncology nursing. This project will be presented to oncology nurses and nursing leadership at a formal Fellowship closing ceremony during the last week of the program.

## Program Schedule:

The program will span eight weeks from Monday, June 17, 2021 through Friday, August 13, 2020. It will be centered within the pediatric oncology care areas at Boston Children's Hospital.

## Compensation:

Two selected Fellows will be paid a stipend as they complete this Fellowship program.
