

Susan D. Flynn Oncology Nursing Fellowship Boston Children's Hospital- 2023

Where the world comes for answers

Boston Children's Hospital is proud to offer an outstanding opportunity for three nursing students who have a passion for pediatrics and oncology care. [The Susan D. Flynn Oncology Nursing Fellowship Program](#) was created with the intent of developing the next generation of oncology nurses. The Fellowship includes a comprehensive scope of direct care, observation and learning experiences. Students will have exposure to oncology nursing within the context of a pediatric hospital setting. They will learn about the roles and responsibilities of a pediatric oncology nurse including but not limited to:

- Policies, procedures, and, plans of care for pediatric oncology patients in the following specialties:
 - Hematological Malignancies
 - Solid Tumor
 - Bone Marrow Transplant
 - Neuro-oncology
- Patient and family education for the pediatric oncology patient
- Clinical Research & Clinical Trials
- Chemotherapeutic agents and supportive care
- Patient and family support programs
- Care coordination amongst the interdisciplinary team (Child Life Specialists, Social Work, Integrative Medicine, PT/OT, Nutrition, Palliative Care)
- Various Internal Oncology-Related Forums

As part of this learning/development experience, fellows will complete a case study/nursing rounds presentation addressing an aspect of pediatric oncology nursing. This project will be presented to oncology nurses and nursing leadership at a Fellowship closing ceremony during the last week of the program.

Program Schedule:

The program will span eight weeks from Monday, June 19, 2023 through Friday, August 11, 2023 at Boston Children's Hospital in Boston, MA. Each fellow will work three 12 hour shifts per week working alongside a registered nurse.

Compensation:

Three selected Fellows will be paid a stipend as they complete this Fellowship program.

Application Process/Requirements:

- Fellowship will be offered to three rising seniors from an accredited BSN program in the Boston area, or who reside in the Greater Boston area.
- Applications must include
 - Essay (roughly 500 words) addressing the following questions: What makes you interested in pediatric oncology nursing? What are your top goals for your nursing career? How will this fellowship will assist you in attaining these goals?
 - Resume
 - Transcript (does not have to be official transcript)
 - 2 letters of recommendation
- Interested applicants should visit <http://www.childrenshospital.org/career-opportunities> and search "Susan D. Flynn Oncology Student Nursing Fellowship". This position will be **posted on December 5, 2022 and deadline is Jan 27, 2023**
- If selected for interview process, will occur in person or via zoom mid February.
